EUGENE KIHARA

BUSINESS & IT PROFESSIONAL

+254 726 832 254 | kiharaeugene@gmail.com | Nairobi, Kenya | Kenyan

PROFILE SUMMARY

An enthusiastic professional with a strong blend of Business and Information Technology experience, skilled in Process Improvement and Operational Effectiveness. Proficient in tools like Figma to create wireframes, prototypes, and collaborate on design projects. Experienced in translating user and business requirements into user stories and defining acceptance criteria for Agile cross-functional teams. Knowledgeable in Payments, Risk Management, and Fraud Prevention, with the ability to analyze processes and data to support stakeholder communication and make data-driven decisions. Committed to delivering secure, compliant, and user-focused payment solutions.

WORK EXPERIENCE & INTERSHIP

Aster Limited

04/2026 – Present

Intern

Nairobi, Kenya

- Assisted in web development projects, contributing to the design, maintenance, and improvement of responsive web applications using modern technologies.
- Supported networking and IT infrastructure operations, including troubleshooting connectivity issues, system configuration, and basic network setup.
- Contributed to technology-driven business solutions by exploring the application of Artificial Intelligence (AI) to improve operational efficiency and decision-making.
- Analyzed business workflows and assisted in identifying opportunities for process improvement, automation, and digital transformation.
- Collaborated with team members to resolve technical issues and deliver efficient IT support across different business functions.
- Developed strong problem-solving, communication, and teamwork skills while working in a fast-paced technical environment.

- Assisted in implementing innovative digital solutions aimed at enhancing business performance and overall user experience.

KENYA NATIONAL BUREAU OF STATISTICS

08/2024 – 12/2024

Attaché

Nairobi, Kenya

- Enhanced IT support processes by streamlining workflows, ensuring timely resolution of technical issues, and minimizing system downtime.
- Collaborated with cross-functional teams to identify and resolve operational challenges, improving overall efficiency and team productivity.
- Managed and resolved IT incidents through effective troubleshooting and incident management procedures, resulting in improved response times and user satisfaction.
- Assisted in maintaining, monitoring, and updating IT infrastructure to support the smooth operation of business critical systems.
- Provided technical support and user guidance to staff, improving system utilization, user competency, and overall operational effectiveness.
- Demonstrated commitment and reliability by extending beyond the official attachment period for an additional one and a half months to support the organization's data entry and system support initiatives.

KENYA NATIONAL LIBRARY

01/2024 – 04/2024

Volunteer

Nairobi, Kenya

- Maintained a clean, organized, and welcoming environment for library patrons by effectively coordinating and carrying out daily cleaning activities.
- Developed and implemented efficient cleaning schedules, improving task allocation, workflow management, and overall productivity.
- Collaborated with library staff to organize and maintain library spaces, enhancing accessibility and creating a positive user experience.

- Supported daily library operations by proactively identifying areas for improvement and recommending practical solutions to enhance efficiency.
- Demonstrated strong organizational, teamwork, and time-management skills while maintaining high standards in a community-focused environment.
